EMPOWERING BUSINESS FORWARD

# HP Designjet D5800 Production Printer

The fastest 60-inch dye-ink production printer for nonstop operation<sup>1</sup>

## Easy integration into your low-cost environment

- Seamlessly integrate this printer into your current environment—and continue using the inks you rely on
- Keep printing costs low—stock one dual-channel printhead SKU optimized for HP dye inks—use it for any color
- Create prints with excellent color transitions and grain thanks to a new printhead with a small drop size<sup>2</sup>
- Increase your productivity with simple media-handling features that help keep media flat while printing

## High-speed operation—around the clock

- High-speed printing—up to 128 m<sup>2</sup>/hr in Fast mode and 24 m<sup>2</sup>/hr in Production mode for polypropylene<sup>3</sup>
- Create quality prints at top speed, using HP Double Swath Technology and the HP Optical Media Advance Sensor
- Expand your offerings—print backlit graphics, POP signs, roll-up banners, and indoor signs in vivid color
- Confidently run jobs overnight with a printhead status gauge, long roll support, and solid take-up reel<sup>4</sup>

## Robust design and easy maintenance

- Depend on robust, durable design features built to handle the most demanding printing environments
- Easily maintain your printer in-house with the easy-to-replace printhead and automatic printhead cleaning
- Increase printer uptime with certified reseller support designed to resolve printer issues fast
- Invest in a reliable, workhorse printer backed by a one-year warranty

## Eco Highlights

- Breakthrough color consistency can help reduce unnecessary reprints
- FSC®-certified papers,<sup>1</sup> range of recyclable HP media with a take-back program<sup>2</sup>

<sup>1</sup> BMG trademark license code FSC®-C115319, see [fsc.org](http://fsc.org). HP trademark license code FSC®-C017543, see [fsc.org](http://fsc.org). Not all FSC®-certified products are available in all regions. For information about HP large format printing materials, please visit [HPLFMedia.com](http://HPLFMedia.com).

<sup>2</sup> Program availability varies. Please check [hp.com/recycle](http://hp.com/recycle) for details.

Please recycle large-format printing hardware and printing supplies.

Find out how at our website  
[hp.com/ecosolutions](http://hp.com/ecosolutions)

<sup>1</sup> Compared with large-format inkjet printers under \$23,000 USD for 60- to 64-inch graphic dye applications and based on list price, China. Based on the fastest-rated color speeds published by manufacturers in January 2014. Test methods vary.

<sup>2</sup> The HP 706 Printhead used in the HP Designjet D5800 Production Printer delivers a 50% smaller drop size than the HP Designjet 5100 Printer printheads.

<sup>3</sup> The HP Designjet D5800 Production Printer can achieve speeds up to 128 m<sup>2</sup>/hr when used in Fast mode on plain paper and can achieve print speeds up to 24 m<sup>2</sup>/hr in Fast mode with EcoMode on using polypropylene media.

<sup>4</sup> Take-up reel purchased separately.
